OPEN INVITATION

St Sylvester's GAA Club, Malahide would like to extend an invitation to all members and friends to attend an -

Open Night

***at St Sylvester's GAA clubhouse,
No 2 Church Road.***

at 7:30pm sharp, Thursday 20th Nov

- to learn about a number of exciting new initiatives being taken by the club to tackle the challenges and avail of the opportunities that lie ahead.

Light refreshments will be served and all are welcome to stay on for a social evening following the presentations.

Our PLANS and GOALS

1. We are delighted to announce that the purchase of the grounds in Broomfield is in the final stages of completion. Further developments of the grounds are well advanced through our dedicated grounds development sub-committee. Plans are on display in the clubhouse.
2. Our club is embarking on an ambitious program to increase the membership of St Sylvester's throughout the whole community of Malahide. Loyalty cards will be made available to all paid up adult members.
3. Plans are being made to tackle our club's debt by a dedicated debt management committee composed of members of the club's trustees, executive committee and local business people.

We are delighted to announce that respected local businessman Mr Tony Gibney and his family have agreed to run the clubhouse under a management contract. This initiative will help to return the premises to its former role as a contributor to our club's running expenses and just as importantly will improve the club's social atmosphere for all members and their friends.

All of this is being done with a view to ensuring that we have a strong club that will continue to cater for the many men, women and children who play football and hurling and also for those whose playing days are over or who want to be part of a vibrant sports and community organisation in the centre of Malahide.
