## CORPORATE PATRONAGE

*Tackling our  
challenges*

## Corporate Patronage

St Sylvester's GAA Club is a large Gaelic games sports club catering for hundreds of people in Malahide and its environs. In recent years, the club has invested in its own club-house in the centre of the village and has purchased sports fields in the immediate locality. This has created a vibrant organisation catering for many families, players and social members.

To assist us in meeting the costs of these investments, we now seek Corporate Patrons who will make one-off or regular sponsorship donations.

### How your donation will help...

Your donation will be used to reduce the loans the club has with its bank at present and to further develop our facilities in Malahide.

### Patronage Acknowledgement

*Corporate Patrons will be acknowledged as follows:*

1. Formal acknowledgement of your patronage will be sent to all members during the year.
2. Publication in our annual report at the end of the 2009 season.
3. Printed acknowledgement displayed in our club-house for a 24 month period.
4. Publication of your patronage on our web-site www.stsylvesters.ie during the 2009 season.

Your support will be a major contribution to the community of Malahide and will greatly assist us in developing sporting facilities for the youth of Malahide for many years to come.
