Girls Football in St Sylvester's GAA

Girl's football in Dublin has grown rapidly in the past few years and the numbers now playing each week in St Sylvester's is proof of that. We now have over 150 girls playing on teams in the club.

In 2010 the club will be fielding juvenile teams from U 9 to under 16 age groups in both league and championship competitions.

We are now recruiting new players for all teams for the coming season. Whether you just want to take up the game, get involved in training sessions or return to football from a break in playing, we would be delighted for you to come and join.

Training sessions will take place mid-week in Broomfield from mid January and matches each weekend's from March to October, with a summer break in July and August.

We also have a very successful nursery for girls from 4 to 8 years of age learning their skills each week. **The nursery takes place on Saturdays in Broomfield from 1.30pm to 2.30pm.**
